

# GRACE CONCEPTS, LLC

*Discover How Successful Your Organization Can Be!*

**Company established:** 2002 **President:** Lila Gracey

**About the company:** Grace Concepts helps nonprofits and public sector groups achieve sustainable success by developing customized programs that clearly define goals, enhance productivity and promote team work to ensure desired outcomes.

**Services offered:** Seminars, facilitations, web based seminars, and coaching

**Areas of expertise:**

- fundraising
- strategic planning
- leadership
- nonprofit board development
- philanthropic giving plans for individuals
- how to hold effective meetings
- Myers Briggs Type Indicator©
- teambuilding
- donor/volunteer stewardship

**Products available:** The book, "Secrets of Successful House Parties: Effectively Raise Money / Awareness, or Mobilize for Action," written in an easy-to-use workbook format, released in 2007. Ms. Gracey combines her knowledge of fundraising techniques and leadership tactics to help organizations host house parties with the prowess of professional fundraisers. Available at [www.Amazon.com](http://www.Amazon.com).

The manual, "Secrets of Successful Political House Parties," is a guide for campaigns and hosts, and may be modified to fit specific styles and needs. However, do not underestimate the time required to organize, execute, and follow up a successful house party. Hosting a successful house party depends largely on good communication between the campaign and the host(s). The fewer assumptions and misunderstandings there are, the better the outcome. Available through [PayPal](https://www.paypal.com).
